BARBERING COURSE OVERVIEW

Course Hours: 1000 clock hours

The course is divided into pre-clinical classroom instruction and clinical service learning experiences.

- **Pre-clinical Classroom Instruction:** The first 210 hours are devoted to classroom workshops where students learn design principles, technical information, and professional practices.
- **Clinic Classroom Learning Experience:** The remaining hours are spent in the clinic classroom area where practical experience is gained.
- **Distance Education Learning Experience:** A student enrolled in a program with distance education may earn up to 20% of the program's total clock hours through distance education.

BARBERING COURSE OUTLINE

Your time at Paul Mitchell The School Fresno for the barbering program will be divided into six designations:

- **Core Curriculum**: A 210-hour orientation, known as the Core program, instills the basic fundamentals. Students are graded and evaluated using written, oral, and practical testing methods. Students must successfully complete the Core curriculum prior to attending regularly scheduled daily classes in cutting, color, permanent waving, and chemical texture services.
- **Clinic Floor Learning Experience:** Your clinic floor time from 210 to 1000 hours will be guided with individual attention and group learning experiences using workshops, monthly worksheets, and periodic exams developed specifically for monitoring progress. This is when you begin working on paying service guests in the clinic classroom.
- **Classroom Learning Experience:** Your classroom time from 210 to 1000 hours is divided into four (4) areas: cutting, color, texture, and men's grooming. Each area has a Skill Specialist in the field who conducts the different specialty classes once a week; these may include guest artists, retail (Take Home), motivation, self-improvement, nail artistry, makeup, etc.
- **Adaptive Curriculum**: From 210 to 500 hours, you will enter a new phase of specialty classroom workshops coupled with challenging practical services designed to continue building your skills as a future beauty industry professional.
- **Creative Curriculum**: You will spend your last 500 hours in Paul Mitchell The School Fresno in "high gear" by dressing, acting, and working like a true beauty industry professional. You will use your own artistic and creative abilities, coupled with the assistance of the Learning Leaders, to prepare yourself for your future beauty

industry career

Distance Education hours and assignments are graded and recorded daily. Theory chapter exams, final exams and final practical evaluations must completed in the school facility.

BARBERING PROGRAM TESTING AND GRADING PROCEDURE

The following tests and grading procedures are used to assess student learning and mastery of course content in the 1000-hour course:

1. **Academic theory exams:** Students must receive a grade of 75% or higher on each assigned theory exam. Exams are completed at the conclusion of each online theory module. Depending on the length of the module, theory exams will occur weekly or bi-monthly, within the 10% of distance education hours. The theory exams will evaluate the student's academic performance for each subject of the distance education curriculum.
2. **Core orientation practical skills evaluation test:** Students must receive a grade of 75% or higher on each written exam and each practical skill exam in order to complete the Core program. The exams are an overview of instruction taught during the Core schedule. All Core written and practical skill exams must be passed with a 75% in order to transition to the Clinic Classroom. If students are unable to pass each exam after two attempts, the student may be asked to withdraw from the program and re-enroll in the next available Core class start date. The core written and practical skills evaluation must be completed within the school facility and cannot be taken through distance education.

3. **Final exam 1:** This exam covers an overview of all related cosmetology subjects (e.g., anatomy, chemistry, etc.). Students must receive a grade of 75% or higher on all final exams. Final Exam 1 must be completed within the school facility and cannot be taken through distance education.
4. **Final exam 2**: The written exam covers an overview of all theory instruction, California state law, and other items covered on the state cosmetology exam. Students must receive a grade of 75% or higher on all final exams. Final Exam 1 must be completed within the school facility and cannot be taken through distance education.
5. **Clinic Practical Skill Assessments:** Future Professionals progress in practical skill assessments and theory hours will be digitally monitored on a weekly basis by the Future Professional Advisor using the MyPortico app. All assigned practical skill assessments must be completed in order to complete the program.
6. **Distance education assessments**: Students must complete a distance education written assessment and practical skill assessment. These are based on performance and must be completed on-campus each month. The distance education assessment will focus on the distance education subjects covered during that time period. Students must receive a grade of 75% or higher on each distance education written assessment and each practical skill assessment. Only students enrolled in the distance education program are required to complete these assessments.
7. **Distance education assignments:** The institution will respond to student's submission of lessons, projects and or evaluations the next business day.

INSTRUCTIONAL TECHNIQUES AND METHODS

The programs are provided through a sequential set of learning steps which address specific tasks necessary for State Board preparation, graduation and job entry level skills. Clinic equipment, implements and products are comparable to those used in the industry. Each student will receive instruction that relates to the performance of useful, creative and productive career oriented activities. The course is presented through well-developed lesson plans that reflect the latest educational methods. Subjects are presented by means of lecture, demonstration, distance education, and student participation. Audio-visual aids, guest speakers, field trips, and other related learning methods are used in the course.

In order to enroll in the hybrid program of study, the Future Professional must have the following hardware, software, and network requirements:

- Apple iPad (Gen 6 or newer) and Smartphone
- Online Class Tech Requirements: An internet connection - broadband wired or wireless (3G or 4G/LTE). Minimum bandwidth is 600kbps (up/down) and recommended is 1.5 Mbps (up/down). Check your Internet bandwidth using Speed test.
- A webcam - one that is built-in to your computer or one that connects to your computer via USB. If you'd like to use a higher quality USB camera, these are recommended by Zoom.
- A microphone - built-in to your computer or USB plug-in or wireless Bluetooth.
- Optional - A built-in headset jack from a laptop or desktop. Even if your laptop or desktop has speakers, you must plug in a headset so that the sound from the speakers does not cause an echo in the Zoom meeting. Any headset with a 3.5mm plug will plug in.
- Milady MindTap
- Google Chrome or Safari
- Google Classroom, Zoom
